Retired Senior Volunteer Program

RSVP (the Retired and Senior Volunteer Program) is part of Senior Corps, a network of national service programs that provides older Americans the opportunity to apply their life experience to meeting community needs. RSVP volunteers serve in a diverse range of nonprofit organizations, public agencies, and faith-based groups. Among other activities, they mentor at-risk youth, organize neighborhood watch programs, test drinking water for contaminants, teach English to immigrants, and lend their business skills to community groups that provide critical social services. In fiscal year 2001, approximately 480,000 volunteers served an average of four hours a week at an estimated 65,000 local organizations. Senior Companion Program

The Senior Companion Program (SCP) is part of Senior Corps, a network of national service programs that provides older Americans with the opportunity to apply their life experiences to meeting community needs. Senior Companions serve one-on-one with the frail elderly and other homebound persons who have difficulty completing everyday tasks. They assist with grocery shopping, bill paying, and transportation to medical appointments, and they alert doctors and family members to potential problems. Senior Companions also provide short periods of relief to primary caregivers. Because of the program, thousands of citizens are able to live with dignity in their own homes. In fiscal year 2001, 15,500 Senior Companions tended to the needs of more than 61,000 adult clients. To learn more about Senior Companions and other Senior Corps programs, call (317) 266-6724
